WHEREAS, the meetings have proven to be extremely beneficial for the opportunity they provide for a free exchange of information on programs and an unfettered forum for the discussion of mutual problems; and

WHEREAS, the discussions have stimulated progressive thinking toward the solution of problems, all in the, highest traditions of the International Association of Game, Fish and Conservation Commissioners;

NOW, THEREFORE, BE IT RESOLVED that the International Association of Game, Fish and Conservation Commissioners tender its appreciation to Dr. Robert M. White, Administrator of NOAA, and Mr. Robert W.
